Sir:

This information disclosure statement is being filed within three months of the filing date of the application or date of entry into the national stage of an international application or before the mailing date of a first Office action on the merits, whichever event occurs last (37 C.F.R. § 1.97(b)).

Listed on the accompanying form PTO/SB/08A are a number of documents which may be considered material to the examination of this application. A copy of each of these documents is provided.

The filing of this information disclosure statement should not be construed to be an admission that the information cited in this statement is, or is considered to be, material to patentability as defined in 37 C.F.R. § 1.56(b). Moreover, Applicant(s) reserves the right to establish the patentability of the claimed invention over any of the listed documents should they be applied as references, or to prove that some of these documents may not be enabling for the teachings they purport to offer.

This statement should not be construed as a representation that a search has been made, or that there does not exist information more material to the examination of the present application. The Examiner is specifically requested not to rely solely on the materials submitted herewith. Instead the Examiner is requested to conduct an independent and thorough review of the documents, and to form independent opinions as to their significance.

It is respectfully requested that the Examiner initial and return a copy of enclosed PTO/SB/08A, and to similarly indicate in the official file wrapper of this patent application that the documents have been considered.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Berdan David L.', with a large, loopy initial 'B' on the left and a series of connected loops and strokes to the right.
